Job Description

Job Title: Sr. Financial Analyst
Reports to: Sr. Director, Financial Planning
Location: Atlanta
FLSA Status: Exempt

Summary

The Senior Financial Analyst will build solid working relationships with cross-company management and provide accurate and data driven financial analyses to support the decision-making process.

Essential Duties and Responsibilities

- Build and maintain models to forecast revenues and expenses across various business units
- Analyze trends to identify growth opportunities and help drive effective decision making
- Support the consolidation of financial budgets, forecasts, and reporting
- Participate in the monthly financial close process and perform relevant variance analysis
- Simplify complex problems and large data sets to extrapolate non-obvious insights
- Work closely with departmental counterparts at UP to gather and compile financial information and analysis related to the budgeting and forecasting processes
- Support the corporate budgeting and long-range planning cycles including the development of underlying templates and analysis
- Design, develop and deliver robust and scalable reporting
- Develop, maintain, and enhance strategic decision making tools
- Assist with ad hoc analysis of financial and operational performance

Preferred Qualifications

- Hands on experience of accounting, forecasting, planning, and financial analysis and understanding of financial statements and modeling
- Strong analytical and problem-solving skills, involving complex issues in a fast-paced, unpredictable and often ambiguous environment
- Ability to work independently as well as part of a team with little general instruction
- Proven time management and multi-task management capabilities
- Excellent verbal and written communication skills; able to diplomatically interact and develop solid working relationships with management, staff, and divisional peers

Education/Experience

At least 2 years of experience in accounting or financial planning and a BA/BS in Accounting, Finance, or Engineering; MBA preferred.

We Get Family
