RE: Children's Programming Certification

Dear Affiliate:

This is to certify that UP programming service (the "Service"), to the extent it airs children's programming as defined under 47 CFR 76.255 of the rules and regulations of the Federal Communications Commission, has aired no more than 10.5 minutes of commercial matter per hour on the weekends, and no more than 12 minutes of commercial matter per hour on weekdays during children's programming, and is otherwise in compliance with the Children's Television Act of 1990.

The following sets forth children's programming aired on the Service through and including the fourth Quarter of 2025: None.

Best regards,
